**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider because the customer service was superior to the awful experience I had with AT&T. I feel that competition from a newcomer like Sonic, my ISP, was just what was needed to bring back quality and value instead of just choosing between Comcast and AT&T, 2 giants with zero care in how they handle customer needs.

I would oppose increases in prices completely because I have a fixed budget and need high speeds from fiber. I use the internet all day for work and personal tasks.

Thank you,
